

**17A Global Extension Team report:**

As mentioned in my previous report, Perry and Lawrence are the two locations I am working on getting a new club.

Perry – There seems to be no interest in starting a club in Perry now. My contact there is too busy and cannot commit.

Lawrence – Slow and steady wins the race, so I have heard. I am making slower progress than I had expected. Two Lion advisors who offered to help me never returned my correspondence. I am pivoting my approach and continuing the momentum.
