

# Lions Quest Program Report

## 17-A Cabinet Meeting Nov. 4,2023

As of October 25, 2023, LCI has held two monthly Zoom meetings titled “Educate & Empower” to provide an introduction and progress report on their current Lions Quest Program. This Social and Emotional Educational Program has been presented to 20 million students in 100 countries, as well as here in Kansas. Attendees at the Zoom meetings include experienced as well as new District Chairmen.

This program has activities specific to each grade level(K-8) ps high school. An educational team is currently revising, condensing and digitizing the program prior to LCI’s release of the new materials. Specifics about licensing and utilizing the lessons are also being examined.
