

District Administrator Report
District 17-A Cabinet Meeting
Basehor
27 Jan 24

Update of my priorities for 2023-2024.

70 of 72 (97%) clubs have reported membership reports for at least one month in MyLCI. This is an increase of 42 clubs since my report at the November Cabinet Meeting.

38 of 72 (53%) clubs have reported at least one activity in MyLion. This is an increase of 9 clubs since the last Cabinet meeting.

I will continue to call clubs and get them (or allow me) to input data for them.

I am again including a form that clubs can use to send me data to input their activities into MyLion. Would ask that the form be handed out to clubs at Zone meetings and during DG Team visits.

The Lions Portal obviously did not get deployed in January. I am coordinating with PDG Chris Bauer and PID Deb Weaverling to start giving orientation training on the Portal with information that is currently available.
